Subject: R8 Agree to Expedited FAR for Final on NSPS OOOOa Revisions (SAN: 5719.8)

The EPA is working on an expedited schedule to finalize the rule titled, "Oil and Natural Gas Sector: Emission Standards for New, Reconstructed, and Modified Sources Reconsideration", Tier 2, 5719.8 (aka 'Technical Package'). This action is a reconsideration of NSPS subpart OOOOa and will finalize amendments on specific topics which EPA has granted reconsideration on, streamline implementation, and improve cost-effectiveness of compliance. Due to the accelerated schedule of this rulemaking, we are requesting a 10 day FAR review.

Is it okay for me to send in R8 agreement?
